Prickly Peach HedgeHogs

WHICH HOG SHOULD YOU HOG? (or something pleasantly annoying like that)

fill out this quiz to find out which hedgehog is right for you!

MVP:

1. landing page styled elegantly and using the right hex colors based on logo
2. storing and accessing userInput to return the right hedgehog
3. logging the hedgehog name based on a points system that the user doesn't see

Stretch:

1. animate home page logo
2. allow a reset and retake of the quiz
3. build an animated slideshow of the selected hog upon completion!

PSEUDOCODE

Header page with logo
—> take the quiz! (button on click takes you to page1)

three hogs (array of objects!):
      peach:
            points <= 4
